

GIRLS NIGHT OUT

at
Valley Wines

You and four of your friends decide to make two or more* wine kits at Valley Wines.

When you all return to bottle your wine, we'll have a party just for your group.

You bring the music and we'll supply the cheese & crackers, you can sample your wine* and socialize for an hour or two.

After you leave you can split up the wine, so that you each bring home about twelve bottles of wine.... instead of a bar bill!

Come on in to see our selections and choose your wine.
